The Patient/Guardian is aware that their insurance company may not make payment on a claim and that it will be the Patient's/Guardian's responsibility to do so.*
- All Co-Pays, Deductibles, Co-insurance and any additional charges will be collected at the time of your visit. You are ultimately responsible for all payment of charges for services from our office.
- Account balances must be paid in full at the time of today's appointment prior to seeing the doctor.
- It is your responsibility to provide accurate insurance information and to present your insurance ID card at the time of your visit.
- If your plan requires a referral, it is your responsibility to obtain this prior to being seen.
- If procedures are done in the office that are deemed non-covered by your insurance company, you will be responsible for the payment.

- Returned check fee is **\$25.00**, the balance and all future visits to our office must be paid via credit card or cash. We will no longer accept checks if there has ever been a returned check to our office for insufficient funds.
- We do not go back and submit claims to patient's insurance companies if at time of visit they had requested to be self-pay or if at the time of visit their insurance company states the service/product is non-covered.
- Your visits will be coded based on documentation from your provider during the visit, which may not be covered by your insurance carrier at 100%. Diagnosis codes will not be changed in an attempt to reduce out of pocket expenses.
- The Patient will be responsible for all Attorney Fees, Legal Fees, and Court Costs if the account is turned over to collections.

- ***Patients who fail to keep or cancel a scheduled appointment more than 24 hours in advance will be charged a \$35.00 No-Show / No-Call Fee.*** (We make reminder calls as a courtesy, but it is your responsibility to keep track of your appointment).
- Repeat failure to keep your scheduled appointments may force us to have your medical care transferred elsewhere.
- If a patient has two consecutive No-Show/No-Call fees, the balance of \$70 must be collected via credit card prior to scheduling another appointment in our office.
- If a patient is late on the day of an appointment, the office will do everything possible to see the patient in a timely manner. If the patient decides to not keep that day's appointment or reschedule the appointment a \$35.00 fee will be applied to the patient chart for the missed appointment.
